Take Action Project
# Letter to Congress

Name:

A.3 Head and Heart

Directions: What information have you learned about elephants that can help you with your take action project?

1. Head: Make a list of facts that will make people THINK about why we should help elephants. Write those in the "Head" column.
2. Heart: Then make a list of facts that will make people have empathy for elephants. Write those in the heart column.

A.6 Outline

The Ask: Write your ask. What do you want your Congressperson to do?

The Evidence: What evidence will you use to convince your Congressperson.

A.7 Feedback

Directions: Now it's time to get feedback on the outline of your graphic design. Pick 1-3 people who can give you feedback.
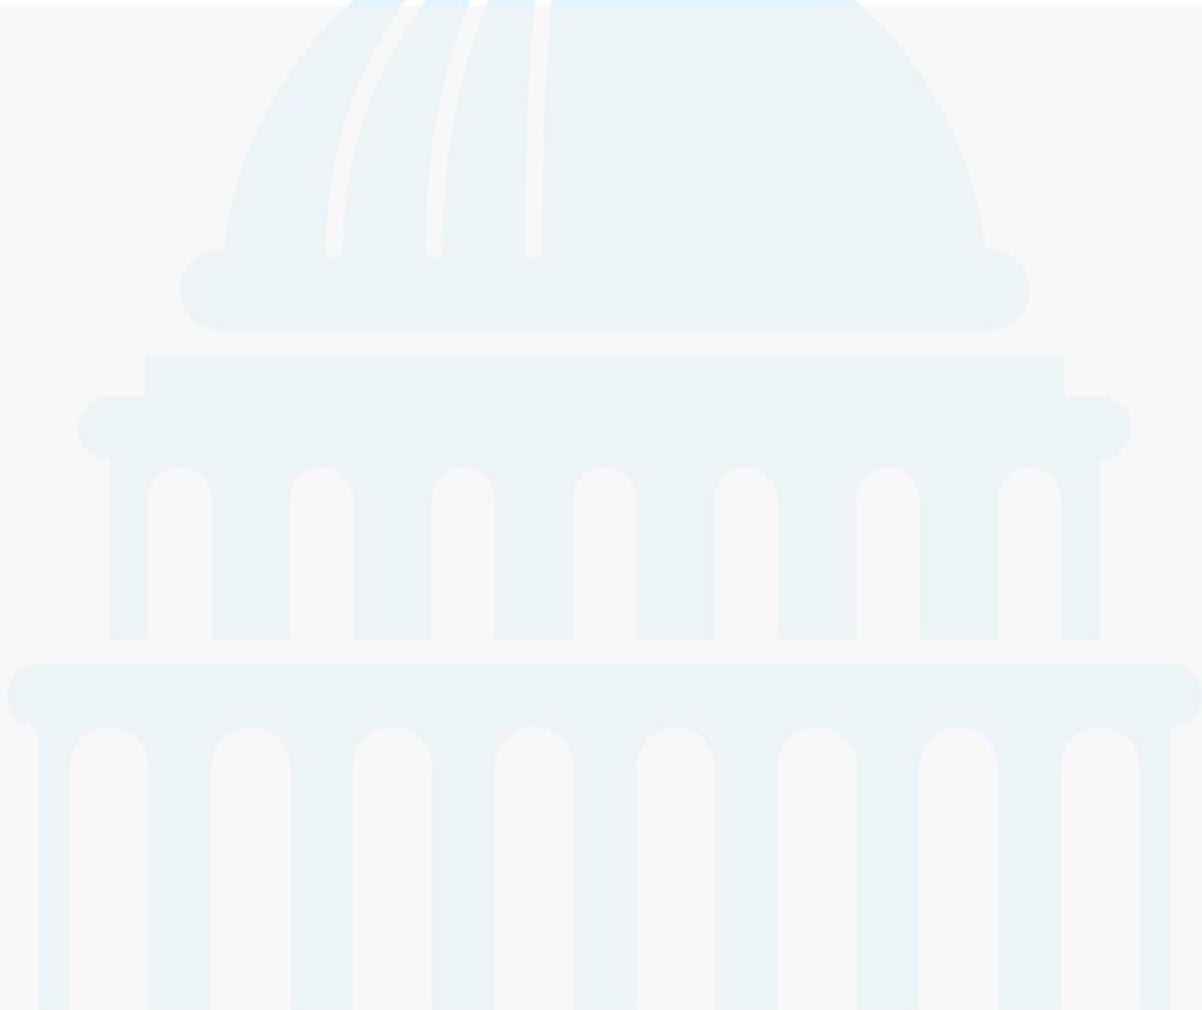

Questions:
1.. Do I have a clear Ask? Does my Congressperson know what I want them to do?
2. Do I have the best evidence? Will my evidence convince them to take action?
3. Does this letter make you think (head) or make you feel (heart)?
4. What could I change to make my letter stronger? Why?

Ask your own questions:

1. _____

2. _____

Directions: Write answers in the space below. You can write notes, sentences or 1-2 word answers.
