A.3 Foreground/ Background

Directions: Sometimes communities want to make a mural, so they hire an artist to help them. It's called a commission. Pretend you've been hired to create a mural for a town by the beach. The beach has a problem: trash is harming the wildlife. They want a mural that will help raise awareness about trash.

Think about:

- What would you put in the foreground? Why?
- What would you put in the background? Why?
- Think about your answer or write your answer in your mission log.
