

Take Action Project Prototype

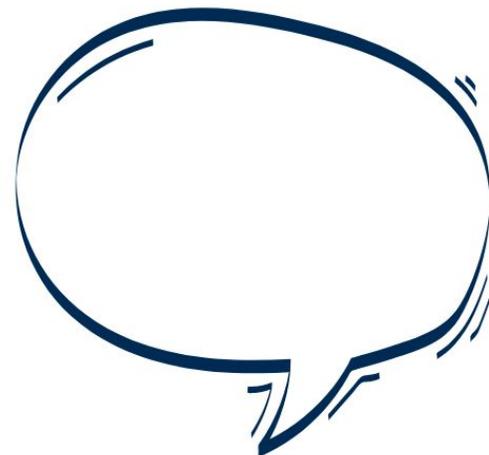

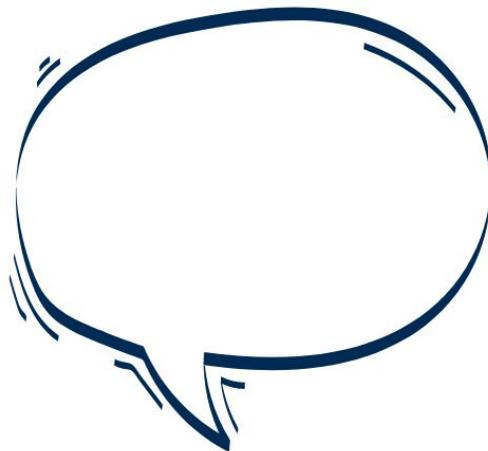

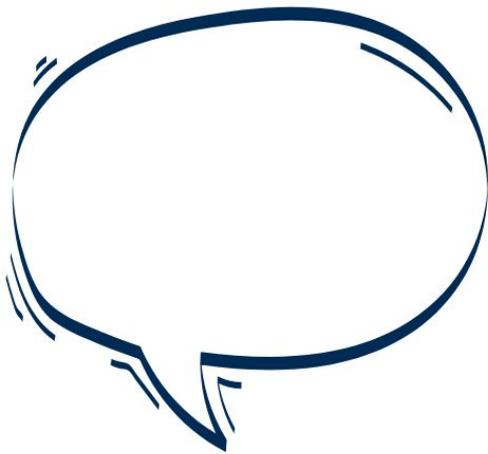

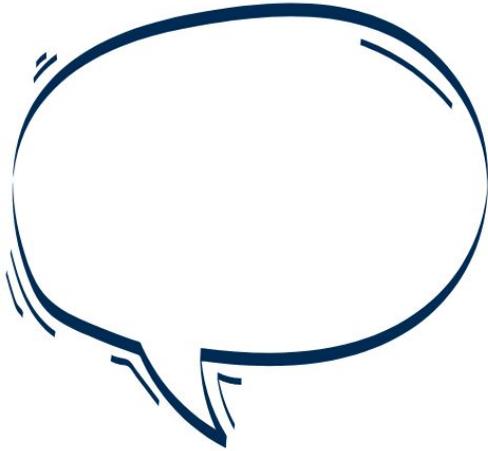

Name:

A.4 Feedback Questions

Directions: With a partner or on your own, brainstorm a list of questions that you think could be helpful to get feedback from a user as they test your prototype. Write them into the speech bubbles.

A.6 Brainstorm

Directions: Use the space below to brainstorm 3-4 problems you want to solve, and then brainstorm possible solutions. Make sure the solution matches the problem. Read over your list and put a star by the solution you want to turn into a prototype.
